OUR MISSION AT BAMPAC

Black America's Political Action Committee (BA MPA C) is working daily to foster a common sense approach to governing by supporting the election and re-election of public officeholders who share this vision and work to promote the principle of limited government in public life. Committed to promoting the sanctity of human life, choice in education, economic self-empowerment, freedom through limited government, and a strong moral climate in our nation, BAMPAC actively advocates its core issues through media campaigns and provides the quantitative and qualitative analysis on other issues of importance to its growing constituency. Through these actions BA MPA C promotes the tenets of democracy and political action globally.

INTERNSHIPS AT BAMPAC

BAMPAC's internship program provides an excellent opportunity for students to learn and serve through first-hand participation in the political process. The program is intended to provide knowledge, tools, skills and experiences that an intern will readily apply to future challenges and professional pursuits. We expect a great deal from our interns—candidates will make a genuine contribution to BAMPAC's mission.
